Use **Activity Builder** to **personalise your own assessments**

- Turn your old worksheets into interactive (*self-marking*) activities
- Use your own *source material* as a basis for questions... pictures of artefacts or even sound clips
- Link to *YouTube* videos or websites (e.g. documentary clips)
- *Edit existing activities* to make them right for your learners - e.g. convert them to 6, 10 or 12 mark questions
