

## PERSONALISE LEARNING WITH THREE-WAVE INTERVENTION

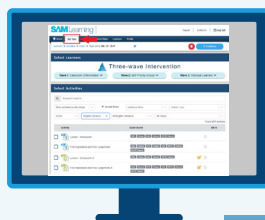

### WHAT IS THREE-WAVE INTERVENTION?

SAM Learning's Three-wave Intervention is a 'school-wide' initiative to personalise learning that operates in three waves.

Task Setting is as easy as:

- 1) Select Learners
- 2) Select Activities
- 3) Select Dates

See back for details...

### WHY USE THREE-WAVE INTERVENTION?

- All the content is ready to use (includes 12,000+ teacher-created activities in addition to SAM Learning's award-winning content)
- Activities are marked for you, saving valuable time
- Receive a report on student progress by email at the due date and time you select
- Target suitable work to a whole class, sub-groups of learners or even a single student

### 10 YEAR IMPACT STUDY: PROVEN TO IMPROVE GCSE GRADES

LEARNERS	ALL LEARNERS	DISADVANTAGED
10 Hours on SAM Learning	1 GCSE grade better in 2.0 subjects	1 GCSE grade better in 3.5 subjects
Equivalent P8 gain	+0.2	+0.35

### YOU CAN ALSO:

- Personalise existing SAM Learning content
- Write your own activities and share them with other teachers
- Earn monthly rewards!

“ SAM Learning has been a go-to resource for teachers to set tasks and activities, which pupils access and complete ”

Sarvinder Phalora, Curriculum Leader of Mathematics at Nishkam School.
