

Supporting students and the environment!

The aim of this pack is to help you support your students with their revision using SAM Learning. You will find the most relevant documents enclosed. Your SAM Learning Coordinator has a complete set of all of these materials.

USAGE POSTCARDS – the **SAM Learning Biodiversity Programme** means that your school can help make a positive contribution towards improving the environment and creating stable wildlife habitats. For every **3,000 hours** of usage, we will plant a tree in a UK managed forest. See the enclosed postcard to find out more about this new initiative.

SUBJECT POSTERS (Science, Maths and English) – engage your students in revising for their core subject GCSEs. These can be pinned to notice boards around the school.

STUDENT REVISION PLANNER – help them to get organised for their GCSEs with this handy planner and examiner's revision hints.

STAFFROOM POSTERS 'Discover SAM Learning' – pin these up in your staffroom to help colleagues understand how the service works and the benefits for student revision practice.

LOGIN CARDS – perfect for reminding students of their login details.

CONTENT GUIDES – contain details of the new improved service and fresh design coming your way in the next few months.

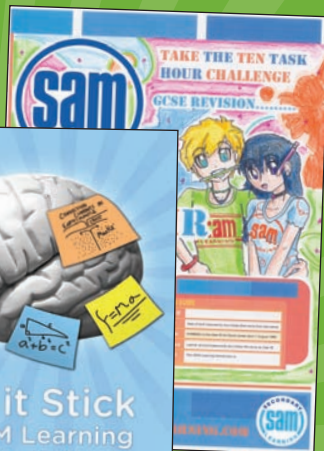

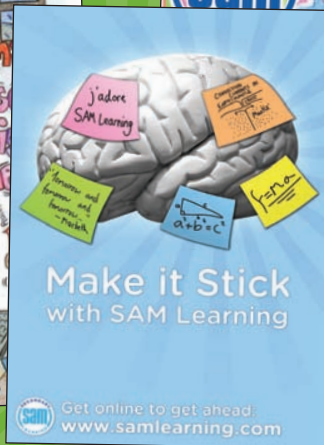

DESIGN COMPETITION POSTERS – a big congratulations to all of the winners!

Additional support materials are available whilst stocks last.
Call 0845 130 4160 to order more.

Winning posters for students!

SUPPORT DOCUMENTS

A range of new support documents are now available online. These include letter templates for parents, PowerPoints and **Certificates of Achievement** for rewarding students' usage hours. The contents of this pack will be available in electronic format via your support documents. **Student stickers** are also available online.

The contents of this pack are printed on 100% recycled paper.
