Personalise the support for your learners who need it most

Choose the **right type of** activity for learners e.g.:

Improve - with sound clips for comprehension

Revise / Revise+

- to review and check learning

Share - created by your colleagues across the country

All of these are marked for you - instant feedback!

New **Diagnostic Activities**:

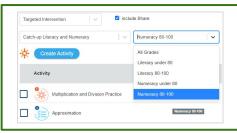

Identify Gaps.

Target your interventions.

Monitor **progress**.

Create your own Wave 2 **Groups** - to set and review the work of targeted learners.

Set targeted intervention work to catch up on Literacy and Numeracy in Years 7 and 8... or focus in on GCSE grades 1-4.

Motivate your pupils to gain points to dress their avatar and encourage them to compete against buddies on the leaderboard.

Question Level Analysis will show you where gaps are:
