

# Middle Leader Support with SAM Learning

Strategies to get you started:

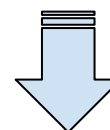

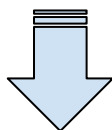

## Intervention Groups

- **Wave 1 Groups** - within your teachers' timetabled classes e.g. *Underachievers* or *Pupil Premium*
- **Wave 2 Groups** - across cohorts in your subject e.g. *4-5 Borderline*, *Y11 Target Boys*

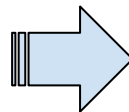

## Curriculum Planning

- Use our **Topic Lists** to map to your Schemes of Work e.g. *for revision programmes*
- Build SAM Learning into your **Homework Policy** - reduce your teachers' marking

## Differentiate Tasks

- **Different activities** are good for different pupils e.g. *Revise (closed)* vs. *Test (open)*
- Set tasks to targeted **sub-groups**
- Create or **edit activities** to match your unique needs

## Reviewing and Reporting

- **Task Reports** show you who is setting work - and who to
- **Progress Reports** show you how well learners have done
- **QLA** to **find gaps**
- Use filters to review **impact**

Phone, e-mail and screenshare **support is available** throughout your subscription  
And our online **CPD Centre** is full of strategic ideas.

Contact the **School Success Team** at SAM Learning for help... your school's SAM Learning Coordinator has our details.
