# Get set up for Three-Wave Intervention

Set the right work to the right pupils, at the right time… and monitor progress with ease.

Book a FREE call with our School Success Team (SST@samlearning.com) to start getting your **groups** set up.

Wave 1: Classroom Differentiation ∧

Create sub-groups of learners within a class - e.g. Pupil Premium or Higher Ability.

Learner Name	English LAP 🗑 ✎	Reading Club 🗑 ✎
Oscar Adlington	☑	☑
Annalise Backhouse	☐	☑
Ken Bailey	☑	☐

Example:
You could set intervention work for learners who have underachieved in a recent test.

Create and name your own groups - including only the learners you want. You can monitor **impact** by using the groups filters in our reporting suite.

Wave 2: School Intervention ∨

Create groups of learners across cohorts - e.g. for an SDP or SEND focus.

Example:
Your SENDCO can create a group in each Year to set supporting work to - and monitor its **impact**.
