

A good performance has a lot of knowledge and understanding behind it

- Our online activities help you to review theory... and find gaps in learning.

Key Stage 3

Music

From Note Values to World Music.

- [Musical Elements](#)
- [Note Values](#)

Question 1 / 15 marks

Q3: Which one of the following best describes pitch?

- How fast or slow the music is.
- How many instruments are playing.
- How high or low the notes are.
- How long or short the notes are.
- How loudly or quietly the notes are played.

Drama

Including Performing and Responding....

- [Developing a Role](#)
- [Freeze Frame](#)

Most content is here - almost all learners will study Music and Drama at KS3. (Over 40,000 activities done each year!)

GCSE

Music

Great for Homework and Revision:

- [Instruments and their Families](#)
- [Introduction to Digital Recording](#)

Drama

Find gaps in learning to focus teaching...

- [Character](#)
- [Job Roles in a Theatre](#)

You will find lots of **SHARE** activities - made by teachers.

Pin them to make them available to your learners.

Dance

- [Dance Appreciation](#)

With such a heavy bias on performance, there is little call for theory activities - but you have the option of adding some.

KS4 Vocational

Vocational courses are recent and changeable - we would like to encourage the creation and sharing of more activities.

Digital Music

- Musical Styles, Using Technology

Performing Arts

- Roles in a Theatre, Putting on a Production

Create and **Personalise** your own activities

- Turn your old worksheets into interactive, *self-marking* activities
- Link to YouTube videos (e.g. of performances) or websites

Earn Amazon rewards for 5 activities!

Learners love the competitive elements in the leaderboard - including challenging their buddies.

Talk to us about new Vocational Courses... we can help you to create and access content.

Watch our brief [CPD Videos](#) - or [book us in](#) to your **department meeting** for training or a Q&A.
