This is just a selection of **Revise** and **Revise+** activities from SAM Learning - each should take 10 to 15 minutes. If you log in to [www.samlearning.com](http://www.samlearning.com) you will see that there are also other types of activity e.g. **written tests** and **timed exam-style**. Remember - you can revise for almost all of your GCSEs online with SAM Learning!

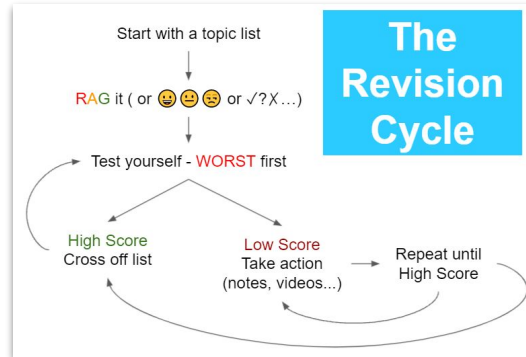

## Know how to log in

Our Centre ID: XXXXX

Your Username: ddmmyyii  
(date of birth and initials)

Password: same as username  
(please change this when you first log in)

## Get organised

## 2. Diagnose yourself

- **Find a weak topic**, that you think you need to revise - from your *Checklists*
- Do a SAM Learning activity on that weak topic - start with a *Revise-type* activity to **check your knowledge**

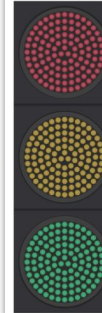

## Watch this short video

**SAM Learning**

Revision for Learners

## Prioritise

Revision Checklist

▶ < 60 % - review the topic, making notes... then repeat the activity.

▶ 60 to 80 % - repeat the activity to beat 80 %

▶ > 80 % - well done!  
You've understood this topic.

## 10 Hours Improves Grades

**SAM Learning** Take the **10 Task Hours Challenge...**  
Revise online and see your grades start to rise!

## 3. Try some Test or Exam Activities

- **Use the mark scheme** at the end to *understand the details* that written answers need from you
