

Don't know where to start with revision?

Fantastic. You can get your work done when it suits you best!

SAM Learning

FOLLOW THE REVISION CYCLE

You know you can relax when you have completed task.

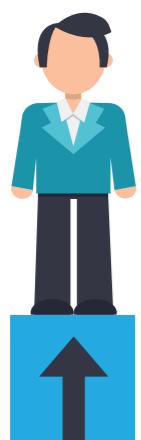

Get a list of the topics in a subject

Rate the topics from red to green

Test yourself

HIGH SCORE

Cross if off your list.

Start with your weaker topics and if you get a

LOW SCORE

Be proactive and spend time revising the topic.

Practise, practise, practise

Until you achieve a high score.

80%+

Check out our revision specific activities.

Self-assess against mark schemes. Use test and exam practice activities.
